

Callowell PE Premium Funding Breakdown

As part of the Olympic Legacy, schools in England have been allocated a significant amount of money to help raise the profile of PE in schools. The money can be spent in any way that enhances the teaching of PE and leads to a healthy and active lifestyle. Schools were given £8000 and an additional £5 per child. This means Callowell was entitled to £8730. One of the conditions of this money is that we must publish on our website how we have spent the money so far and what plans we have to spend the rest.

KS1 coaching

- We are looking at options to support key stage 1 with expert coaching but at the moment, no coaches have spaces

Change 4 Life Club Bags

- £800 each, these could be used at lunchtime with a dedicated member of staff or Young Leader to encourage the children to be more active - we have now signed up to receive the loan of one of these for free.
