## IN THE NEWS:

This week, we have been learning all about people who help us with a visit from the Stroud Fire service for the whole school. The children thoroughly enjoyed learning all of the different functions of the fire engine and having the opportunity to try out the equipment.

On Monday, PCSO Amy led E-safety workshops across the school ensuring all children know how to stay safe online and to stay SMART.

Thank you once again for your kind donations for Children in Need, we raised £109.

## NOTES AND REMINDERS

We always try to ensure the children get to go outside to play. Therefore, please can we ask that your child has suitable shoes and a coat for wet and cold weather.

Please can we remind our families that bikes and scooters are not to be ridden on the playground for safety reasons.

Please remember our playground and school are a phone free zone for children and adults.

## COMING UP...
